Whether you're saving for a home, planning a big vacation, or looking for ways to invest, it's more important than ever to be smart with your banking. That's where an ANZ Personal Banker can help, with a personalised service called an A-Z Review™. The Personal Banker can review your everyday banking, saving and

lending arrangements, to help assess whether your accounts suit your needs and support your plans for the future. Best of all, this service is complimentary. To find out more or to book an appointment, call Edubank on 1800 800 068 or 9323 8362 today.
