

Academy Photography has been providing schools with traditional school photography and services since 1988.

We were the first school photographic company to go completely digital. Which means all our work is done in house from the photography, through to printing, proofing, packaging and shipping.

Academy Photography offers a large range of Products and Services. We encourage you to browse our website to learn more about what we can do and how we can help you.

We use the latest intelligent digital techniques, so you can choose from a wider range of photographic choices and services. We deliver service that is among the best in the world and you'll find our professionalism, quality and customer service is second to none.

Our School Coordinator will work with you to put together a smooth, trouble free photographic schedule that blends in with your specific requirements and provides as little disruption to the school day as possible. You can call on our School Coordinator to help you with your School Fundraising by using our exclusive Loyalty Bonuses.

The photographer who comes to your school is a qualified employee of Academy Photography. They are not subcontractors or free agents. Your photographer represents our company. They carry high quality photographic equipment that delivers sharp, brilliant images time after time. By working this way, we are confident our strict quality controls are adhered to. It's important to us that we provide a professional, efficient, reliable service, a service that meets our expectations and exceeds yours.
